

House with an outstanding view in Villa Real

Basic Information

Price: \$1,800,000

Property ID: WLP-4784

Description

This house in Villa Real has one of the most privileged views in the entire complex, on a sunny day you can see the ocean! It has 3 very comfortable bedrooms located on the second floor, each with its own bathroom and walking closet. The main room has his/hers walking closets and jacuzzi, an independent studio and a beautiful balcony. The houses main floor has a very spacious social area with a beautiful view of the valley. Social area integrates to a terrace with an independent infinity pool.

Dinner room is independent but also can connect to the living room and terrace if you wish to integrate. The house has two kitchens, great for cooking lovers. In the basement floor, you can find a 4 car garage, gym, sauna, Turkish bath, and lots of storage areas, in addition, a secondary maids/driver quarter with bathroom.
